DESCRIPTION OF BUILDING PRODUCT

Breson Fittings Ltd supplies Instantor-Pex[®] manufactured by Sanbra Fyffe Ltd (Trading As Instantor) Ireland. For over 85 years Sanbra Fyffe has been offering a range of superior plumbing products conforming and certified to the most stringent quality standards.

Sanbra Fyffe has ISO 9001:2015, ISO 14001:2015 accreditation.

Instantor Pex Pipe can be identified by the following printed on Pipe:

- Instantor-Pex Barrier Pipe + Size + Temperature range + Certification No. + Date and time of manufacture

Instantor-Pex is manufactured to EN ISO 15875 & DIN 16892/16893 (Pex-B) and complies with the requirements of AS 4176. It is designed for use with existing I.S. EN 1254-2:1998 compliant fittings and inserts. It can also be used with other approved proprietary fitting systems. Ideal for conventional central heating, underfloor heating, hot and cold running water and all general plumbing applications. For further [technical specifications](#).

Certifications: [SKZ](#) [WRAS](#)

Breson Fittings Ltd supplies Instantor Pex Pipe in accordance with the Manufacturers intended use and for installation by a registered Plumber.

CONTRIBUTION TO BUILDING WORK CODE OBLIGATIONS

Durability B2.1

Instantor-Pex® meets the durability requirement of B2.3.1 (A)

Hazardous Building Materials F2.1

Instantor-Pex® does not give rise to harmful concentrations at the surface of the material where the material is exposed, or in the atmosphere of any space as per requirement F2.3.1

Piped Services G10.1

Instantor-Pex® avoids the likelihood of significant leakage or damage during normal or reasonably foreseeable abnormal conditions as per requirement G10.3.1

Water Supplies G12.1

Instantor-Pex® meets the requirements of AS/NZ 4020 potable water standard that wouldn't contaminate the water as per G12.3.2 and is durable in that it avoids the likelihood of leakage as per requirement 12.3.7. (b).

FOR FURTHER INFORMATION

The limitations on the use of the product are as defined in the scope of AS/NZ 3500:2021, AS 4176 and the [technical specification sheet](#).

Instantor-Pex® has proven durability and performance, being in production for over 20 years.

Installations require no ongoing maintenance post commissioning.

Any further queries please [contact us](#).

RESPONSIBLE PERSON
